spiritual we must fight spirit with spirit surviving spiritual bootcamp is a necessary tool for anyone that is seeking to enter this war or is already in this war against the devil get your copy today

we started spiritual boot camp to get people involved in the word of god we must work the word if we want the word to work in our lives most of us go to church to be entertained by the choir and the preaching and we dont put anything into it so by the time we reach the parking lot we loose the battle of life because we dont know how to speak the word of god to our situation

god is looking for a few good men and women like you to be all that you can be in god s army this is not just a job it s an adventure you are here for one reason and for one reason only you need to decide whether you are going to fight or whether you are going to forebear for those of you that have decided to fight you need to understand the basic elements of this war and who your enemy is the better you understand these things the more effective you are going to be on the field of battle for those of you that have chosen to forebear none of this will matter to you because you are already a casualty there is nothing more for me to do but to get a shovel and throw dirt on top of you you are done don t let the door hit you on the way out

to help perform his divine will god has frequently relied on a celebrated company of heavenly messengers called angels but in a manner of speaking we re all called to be god s heavenly messengers here on earth we all have a story to tell an experience to relate a testimony to share and like his celestial band of servants the creator of the universe wants each of us to become a godly emissary of his supernatural love following in the footsteps of jesus christ through a lifestyle of giving serving encouraging and sharing the words of life but something s been holding us back from fully answering the call it s a truth that expresses the heart and nature of god but which has been lost a practice that s vital to peace and unity within our homes and communities as well as the growth of our churches it s one of the most misunderstood and neglected biblical concepts today and its inexcusable neglect is keeping us from becoming all god intended god wants us to develop the heart of an angel but how do we accomplish this better still what is the heart of an angel join us as we examine the secrets of the heart learn how to change the world while building meaningful relationships strengthen your family while becoming

more like god unite your community while impacting eternity and fulfill the lord's greatest commandment while flying with the angels

a 77 day devotional based on strengthening your discipleship

spiritual boot camp is a book centered around living on fire for the christian faith and letting those around you watch you burn as you learn to walk in the light as god is in the light and have fellowship with him you will begin to see the rewards of this closer relationship go from hit and miss communication to moment by moment

fellowship as the master continues to talk to you as a soldier of the cross of christ one of the dangers in our society is the worldly view that christianity is just another religion rather than an intimate friendship with our precious savior in this book you will learn how and where to engage your passions for the lord jesus it will quench all your spiritual thirsts satisfy your driving hungers meet your deepest desires and calm the fears that are thrust at you from the world spiritual boot camp will set readers on a lifelong path of intrigue and fascination as the ways of god become less mysterious because of a first hand in depth growing relationship with the creator who wants to get to know you enjoy this book blessings

your everyday guide to discerning and destroying the works of the devil few christians are aware of just how many day to day struggles are actually the work of demonic powers bent on keeping them from their divine destiny jesus has given you all that you need for victory but to walk in the fullness of your spiritual authority you must learn

in these troubled times we need more knowledge of how to wield the word against the forces of darkness more awareness of how to access the power of the holy spirit more faith in god's ability to miraculously heal bodies and open hardened hearts more insight to effectively apply the word so others will be drawn to jesus these pages contain the tools you need to accomplish these things and more in the weapons of a warrior a soldier's handbook for spiritual warfare pastor joanne ramsay outlined strategies to equip you with strength wisdom and discernment this companion study will guide you into how to respond to the lord as he trains you to wield his sword the word of god this book is your spiritual boot camp training manual journal pages are included at the end of each chapter so you can record your personal marching orders as the holy spirit reveals them use these pages to clarify your god given calling and go forth with courage conviction and confidence a soldier's boot camp for spiritual warfare make sure that you don't get so absorbed and exhausted in taking care of all your day by day obligations that you lose track of the time and doze off oblivious to god the night is about over dawn is about to break be up and awake to what god is doing god is putting the finishing touches on the salvation work he began when we first believed we can't afford to waste a minute must not squander these precious daylight hours in frivolity and indulgence in sleeping around and dissipation in bickering and grabbing everything in sight get out of bed and get dressed don't loiter and linger waiting until the very last minute

dress yourselves in christ and be up and about romans 13 11 14 msg

the battle is on tensions are high the army of darkness and light are constantly warring for the win and all the chaos can make us want to stay home and just pray for jesus to return and get us out of this world but what if hiding and hoping it all just goes away isn't what god wants us to do what if when jesus ascended and sent down his holy spirit he wanted to not only comfort and help us but clothe us with his power and authority to take back ground the enemy has stolen in this study we're going to learn how to wear the armor of light and see victory in every area of our life and out in the world it's time to shine radiant warrior and dethrone the darkness jesus has already done it we just need to learn to apply his victory and walk it out
